# Tips on Setting Up and Using Your Success Tips

---

## Setting Up Your Success Tips

If you would like to automate your marketing, you can set up your success tips to be automatically sent to your list on a regular basis by pre-loading them into your database management system. Most database management software systems have the capability of sending automated or timed emails so that you load them once, schedule their delivery and leave them alone. Examples of the more popular email management systems are AWeber ([www.aweber.com](http://www.aweber.com)), Constant Contact ([www.constantcontact.com](http://www.constantcontact.com)), iContact ([www.icontact.com](http://www.icontact.com)), Infusionsoft ([www.infusionsoft.com](http://www.infusionsoft.com)), or Ontraport ([www.ontraport.com](http://www.ontraport.com)). You can research these to determine which solution is a best fit for your business needs.

For blog posts, you can simply preload your blogs and schedule in advance the days you want them to post.

As always, we recommend that you customize these success tips with your own stories, anecdotes and personal messages. But keep them short as that is what makes this tool so effective!

## Using Your Success Tips

Staying in touch with your list in a meaningful way is the key to creating relationships, developing trust and familiarity, and ultimately converting your prospects into clients. Using numerous tools and delivering them through a variety of mediums allows you to be creative in your marketing which is more attractive to your prospects and clients.

Success Tips are a fantastic tool to use because they are short, provide excellent value, and can be delivered in written, audio or video form.

We recommend using your Success Tips in conjunction with the other Ready2Go products (<http://www.Ready2GoMarketingSolutions.com>), as all the Ready2Go products coordinate together.

Here are a few ways you can use your Ready2Go Tips:

- Blog posts
- A “Thought of the Week” or “Success Tip of the Week”, that provides value, is easy to read, and is a meaningful touch.
- A short article in your newsletter
- Can be recorded and emailed in audio form, placed on your blog, on your website or sent in your newsletter.
- Can be developed into a short video training and be emailed to your list, placed on your blog, on your website, or sent in your newsletter.

## **Your Fresh Start**

If you find yourself feeling restless, sluggish or bored, it may be time for a fresh start. New beginnings are a great way to close out the old, and move on in a healthier and happier direction. While new beginnings can seem scary (every change comes factory-equipped with a tinge of fear, after all), they aren't as hard as they initially seem, and the benefits often far outweigh the risks.

So as you think about possibilities that await you in the new year, ask yourself these 3 revealing questions:

### **1. What Are Your Highlights of the Past Year?**

One way to move forward with a new plan is to look back at the old plan. Knowing what worked about the last 12 months can help you determine how you'd like to spend the next 12. As you reflect, pay special attention to the moments when you felt the most grounded, authentic, challenged and fulfilled, and write down everything you remember about those instances.

### **2. What Do You REALLY Want?**

The number one reason that people don't get what they want is that they don't *know* what they want. The number two reason is that they know what they want, but they are too scared to pursue it. What is it that you want so badly that it scares you? Excites you? Gives you tingles and makes your gut drop? Be sure to acknowledge that desire honestly, whether or not you're ready to do anything about it. Take time to write it down because when you know what lights you up, your perspective naturally shifts, and your mind starts working in the background to make it come to reality.

### **3. What Does Beginning Again Mean To You?**

New beginnings are everywhere, from the sunrise each morning to the changing of the seasons. New homes, new jobs, new life...new beginnings are built into existence, and they all mean something different to each of us. What might a fresh start look like for you? Write it down.

If you are ready to shake things up and add some zest to your life going forward, spend time on these three questions. It's up to you to start something new, and fortunately it doesn't take a mighty effort to bring some shine back to your life. Simple shifts can trigger the new beginning you desire.

## **How Will You Start Fresh Today?**
